

HANDS ON

Dental Assistant Training

Dear Dentist/Student,

Hands On D.A.T is a training program and any injuries that occur during training can not be pursued by legal actions. There are strict guidelines on HIPPA, due to Hands On D.A.T using operating dental clinics and facilities. HIPPA is the first priority because of the exposure or accessibility to patient records. Any student or faculty member that violates the guidelines of HIPPA will be prosecuted to full extent of the law. Students have been informed to get their HepB ,HepC, MMR, Tdap, and Meningococcal vaccines.

This training program is licensed through Maryland State Board of Dental Examiners for the purpose of training students to become a licensed Dental Assistant. This is a entry-level Dental Assistant course that does not practice or train on aggressive procedure.

I hereby attest and verify that I have full knowledge of the risks involved in this training program.
